1. APPOINTMENT OF MEMBERS AND AMENDMENT TO THE COMMITTEE'S
TERMS OF REFERENCE

The Committee was in receipt of a letter dated 1996 February 19 from the Secretary of the United Council of Veterans' Association of Hamilton and District recommending that one of the three veterans nominated be appointed to serve on the Hamilton Veterans Committee as the Veteran elected-at-large by the United Council of Veterans.

After some discussion, the Committee approved the following:

That Bill Eisan be appointed to the Hamilton Veterans Committee as the Veteran elected-at-large by the United Council of Veterans.

Discussion then ensued on the Committee's Terms of Reference and the Committee approved the following:

That the following motion made at the 1996 February 8 meeting of the Hamilton Veterans Committee be reconsidered:

That no action be taken to fill the additional vacant seat on the Hamilton Veterans Committee at this time.

Following reconsideration, the Committee approved the following:

- a) That the Hamilton Veterans Committee's Terms of Reference be amended to read as follows:

That the Hamilton Veterans Committee consist of one Member of City Council; the current President of the United Council of Veterans; a Veteran elected at large by the United Council of Veterans; a current President of a recognized Hamilton Veterans Club; and, one war Veteran and one member (either a veteran or a person from the Regular Forces) recommended by the Veterans holding the previously mentioned appointments; and,

- b) That Tom Dean, a Member from the Regular Forces, be appointed to serve on the Hamilton Veterans Committee.

The Secretary advised Committee Members that the amendment to the Committee's Terms of Reference and the recommendation to appoint the two new Members will be forwarded to the next meeting of the Parks and Recreation Committee for approval.

2. ELECTION OF CHAIRMAN AND VICE-CHAIRMAN

The Secretary assumed the Chair and called for nominations for the position of Chairman. The following nomination was received:

Frank Caldwell

Hearing no further nominations, nominations were closed and the Committee approved the following:

That Frank Caldwell be appointed Chairman of the Hamilton Veterans Committee.

Frank Caldwell, Chairman, assumed the Chair, thanked the Committee for electing him as the new Chairman and called for nominations for the position of Vice-Chairman. The following nomination was received:

Jack McFarland

Hearing no further nominations, nominations were closed and the Committee approved the following:

That Jack McFarland be appointed Vice-Chairman of the Hamilton Veterans Committee.

3. ADOPTION OF MINUTES

The Committee was in receipt of the Minutes of the Hamilton Veterans Committee for its meeting held 1996 February 8. These Minutes were adopted as circulated.

4. 1996 DECORATION DAY PARADE

The Secretary, as directed by the Committee at its last meeting, advised Committee Members that she has been in contact with Colonel Forsyth to determine whether or not the Militia will be able to parade with the veterans on 1996 June 9 for the annual Decoration Day Parade. The Secretary reported that the Militia will not be able to participate.

Some discussion ensued respecting the Parade route, however, the Committee agreed to leave the Parade route the same as it has been in the past (from City Hall to the Cenotaph in Gore Park).

Jack McFarland, Vice-Chairman, still felt that the Committee should do something special to celebrate the City's Sesquicentennial in 1996. The Committee agreed to go all out on its Remembrance Day Service and Parade in honour of the Sesquicentennial. The Committee also approved the following:

That Mike Roach, former Hamilton Veterans Committee Chairman, be the Saluting Officer for the 1996 Remembrance Day Parade and that a veteran from the Army, Navy and Air Force also be on the reviewing stand for the Remembrance Day Parade.

The Secretary agreed to contact Mr. Roach to advise him of the Committee's invitation for him to act as Saluting Officer at this year's Remembrance Day Parade.

5. OTHER BUSINESS**a) Next Meeting Date**

The Committee agreed to hold its next meeting on 1996 March 14 at 10:30 a.m. to discuss the Committee's 1996 Budget and the status of the missing headstones in the Field of Honour at Woodland Cemetery. The Secretary advised that the new Members will be invited to attend this meeting.

b) Pension for Veterans

Included in the letter dated 1996 February 19 from the Secretary of the United Council of Veterans' Association of Hamilton and District as mentioned in Item 1 above, the Committee was advised that the United Council of Veterans at its meeting held 1996 February 15 made a motion that the United Council of Veterans recommend to the Hamilton Veterans Committee to send a letter to Ottawa regarding a pension for all veterans.

The Committee discussed this matter briefly and approved the following:

That no action be taken on this request at this time.

c) Meeting with the Department of Veterans Affairs

Frank Caldwell suggested that the Committee go back to its former practice of meeting with representatives from the Department of Veterans Affairs to discuss current issues affecting the veterans in the City of Hamilton. The Committee agreed that this was a good idea and suggested that this meeting be held when the Committee meets to start planning for the Decoration Day Parade and Service in 1996 April.

6. ADJOURNMENT

There being no further business, the meeting then adjourned.

Taken as read and approved,

Frank Caldwell, Chairman

SUBJECT: Status of Missing Headstones
in Field of Honour, Woodland
Cemetery

DATE: 1996 March 19

In 1995, Alderman McCulloch visited Woodland Cemetery and expressed concerns that a number of graves in the Field of Honour were missing headstones. Since then, a number of the headstones have been ordered and delivered. A list of the actions taken and the outstanding headstones are attached for the Committee's information.

City Council at its meeting held 1983 June 28 adopted Section 1 of the THIRTEENTH Report of the Parks and Recreation Committee for 1983 respecting burial in the Field of Honour. On 1988 January 12 City Council, on the recommendation of the Hamilton Veterans Committee, rescinded the section requiring that full payment for the required upright granite headstone accompany applications for burial in the Field of Honour. The Hamilton Veterans Committee recommended this change given that at the time, the Last Post Fund would automatically pay for missing headstones if veterans graves remained markerless for a number of years. Given budget cutbacks, I have been advised that the Last Post Fund will no longer pay for missing markers unless the burial was financed by the Last Post Fund.

I would suggest that the Committee recommend to the Parks and Recreation Committee that the section that was rescinded be added back to the policy to ensure that the markers are paid for when application for burial in the Field of Honour is made.

The Committee should also discuss the status of the outstanding markers and what courses of action can be taken to have markers placed on these Veterans' graves.

Dear Mayor and Fellow Canadian:

Enclosed is an information package concerning the proposed construction of a future National Memorial to all Canadians killed in the Korean War from 1950-1953. This Memorial will be called "The Korea Veterans Wall of Remembrance". It will be approximately 200 feet long and bear the names of all the Fallen Canadians, on 516 individual bronze plaques. It will be located within Meadowvale Cemetery, in the City of Brampton, in close proximity to Toronto's International Airport. There are sixty-six active Korea Veteran Associations (KVA Units) across Canada. Most are aware of Unit 57's tremendous undertaking and have contributed to this project. Individual Royal Canadian Legion Branches across Canada have also been most supportive.

We are writing to you and your Council, and asking for your support in the following ways:

- 1. Include this information in your Council agenda and, as a Council, send a letter of support to the Wall of Remembrance Committee, via my office.*
- 2. Through your local Press and other Media, relay this information and Council endorsement to your constituents, and ask them to respond as well. Please include the address, phone and fax number for those wishing to donate or receive more information.*
- 3. By spreading the word wherever possible, Unit 57 also wants families and comrades of the Fallen, who are not connected with any organizations named above, to be aware that this group is building this Wall for their loved ones. To appeal to those particular constituents, through your Press Release, would be a great contribution to the cause. They can make contact and be put on the invitation list for the dedication of the Wall, planned for June 25, 1996.*

March 19th, 1996

From: Terry Whitehead

I would appreciate your assistance and suggest on how we should deal with this.

4. *The Project Committee has reached one third of their \$300,000 goal. Any contributions you can solicit, or lists of names of companies and service clubs the Committee can contact, would be gratefully received. All donors, large and small, will be listed in a Book of Remembrance, to be located at the site in perpetuity.*

The City of Brampton Council and Staff have donated \$400 as a sponsorship of one bronze plaque to commemorate one of the Fallen and are approaching our constituents and businesses. Perhaps your Council could consider a similar gesture of support?

I look forward to hearing from your city as soon as possible concerning this future National Memorial that may bear the name of one or more of your own.

Sincerely,

January 5, 1996

Dear Fellow Canadian:

I am President of Unit 57 of The Korea Veterans Association of Canada. The enclosed information is in regards to our project "The Wall of Remembrance". This is proposed to be a future National Memorial naming all those 516 Canadians, our comrades, who fought and died in the Korean War. It will be built at Meadowvale Cemetery in Brampton, Ontario.

Funds to build the Wall have been received from various Legions, Service Clubs, and individuals throughout the country. However, we are a long way from raising the amount required to build and maintain this granite and bronze structure.

We hope you, your organization, family, or Company would consider making a donation to this worthy cause. Any amount would be greatly appreciated. Note that a tax deductible receipt will be issued.

Your donation will help us, and future generations, remember those who paid the **supreme sacrifice** for their country. Names of Donors will be acknowledged in a Book of Remembrance, which will be on display in perpetuity at the site. We hope you will want to make History with us as we build this lasting Tribute.

If you require any further information, we would be pleased to forward same. Contact me at (905) 847-2626, or Phone/Fax (905) 459-6257. I look forward to your reply. Thank you for your consideration.

Sincerely,

William (Bill) Allan

**The Korea Veterans
"Wall of Remembrance"
1950 – 1953**

- The "Wall of Remembrance" (the Wall) will be constructed of grey Barre granite, which matches the existing Veterans' Memorial.
- Approximately 200 feet in length, the Wall curves gently to follow the roadway which circles around the Veterans' Memorial.
- A low-profile retaining wall approximately two-feet-high, the Wall follows the natural topography which slopes gently towards the roadway. The Wall leans backwards at an angle of approximately 50°.
- The central feature of the Wall consists of three panels: a rectangular block flanked by two wings which slope down from the centre. They are four feet wide and approximately five feet high at the highest point.
- The rectangular block in the centre features the Korea Veterans Association insignia, the Canadian forces insignia, the United Nations insignia, and the names of the participating Canadian forces. On the one wing is a poem by Jack LaChance, on the other, a verse from Laurence Binyon's famous poem "For the Fallen", information relating to the dedication of the memorial, and the names of the organizing committee responsible for getting this project off the ground.
- The memorial, itself, consists of seven sections on each side of the central feature. Each section contains four rows of 6" x 10" bronze plaques, which are replicas of those gracing the graves of the comrades in Pusan.
- Meadowvale Cemetery will survey graves in front of the Wall, and these will be available for purchase by Korea Veterans.

PRESS RELEASE - RE: KOREA VETERANS

CANADIAN KOREA VETERANS PLAN NATIONAL MEMORIAL TO FALLEN COMRADES

THE KOREA VETERANS ASSOCIATION, UNIT 57, IS BUILDING A "WALL OF REMEMBRANCE" TO PAY TRIBUTE TO FELLOW CANADIANS AND COMRADES WHO WERE KILLED IN THE KOREAN WAR, 1950-1953.

THIS WAR, OFTEN CALLED THE "FORGOTTEN WAR", MARKED THE FIRST ARMED CONFLICT FACED BY THE UNITED NATIONS, WHEN COMMUNIST NORTHERN FORCES INVADDED SOUTH KOREA. CANADA WAS ONE OF 22 COUNTRIES INVOLVED. ALMOST 27,000 CANADIANS SERVED IN THE KOREAN WAR.

"THE WALL" WILL BE BUILT AT MEADOWVALE CEMETERY, LOCATED ON CHINGUACOUSY ROAD, SOUTH OF STEELES AVENUE IN THE CITY OF BRAMPTON, ONTARIO. IT WILL BE OVER 60 METERS (200 FEET) IN LENGTH, AND CONTAIN ALL 516 INDIVIDUAL PLAQUES, NAMING EACH FALLEN CANADIAN.

THE KOREA VETERANS HOPE THEY CAN REACH FAMILIES AND COMRADES OF THE FALLEN, SO THAT THEY MAY ENQUIRE ABOUT THIS FUTURE TRIBUTE TO THEIR LOVED ONES, AND MAKE PLANS TO VISIT OR DONATE TO THE BUILDING OF THIS WALL. NO DOUBT, THIS WALL WILL ATTRACT VISITORS TO ONTARIO FROM AROUND THE GLOBE. THE CLOSE PROXIMITY OF THE SITE TO THE TORONTO INTERNATIONAL AIRPORT MAKES IT VERY ACCESSIBLE AS WELL.

GET INVOLVED IN THIS EXCITING PROJECT SO THAT ALL FUTURE GENERATIONS WILL KNOW THAT CANADIANS PLAYED A SIGNIFICANT ROLE IN THE KOREAN WAR. ALL DONATIONS WILL RECEIVE A TAX-DEDUCTIBLE RECEIPT. NOTE THAT ALL NAMES OF DONORS WILL BE LISTED IN A BOOK OF REMEMBRANCE LOCATED IN PERPETUITY AT THE SITE.

IF COMPANIES OR THEIR EMPLOYEES ASSOCIATIONS, OR GROUPS WOULD LIKE TO HOLD A SPECIAL "VETS" OR "PINS" DAY, AND GIVE THE PROCEEDS TO THE WALL, WE WOULD APPRECIATE THIS SUPPORT OF FELLOW CANADIANS. INFORMATION PACKAGES CAN BE MAILED TO YOUR GROUP. THE PINS ARE AVAILABLE FOR SALE AT \$4.00 EACH.

SEND DONATIONS OR MAKE ENQUIRIES TO : THE KOREA VETERANS WALL OF REMEMBRANCE, 1552 DUNDAS STREET WEST, MISSISSAUGA, ONTARIO. L5C 1E4, OR CALL 905-459-6257 FOR MORE INFORMATION.

United Nations – Korea – Canada Connection

- Japan's defeat in World War Two ended its occupation of Korea. In 1945, Russia occupied North Korea, the United States (U.S.) the South. The U.S. planned to unify Korea and create an independent state with the assistance of the newly-formed United Nations (U.N.).
- Russia denied the North free elections, and began to arm North Korea.
- On June 25, 1950, Communist northern forces crossed the 38th parallel, to invade South Korea.
- The U.N. feared world-wide aggression, and sent in troops from 22 nations while South Korean forces held on. Communist China joined the North as U.N. troops pushed north toward their border.
- 26,971 Canadians served in the Korean War, second only to the United States and Great Britain.
- 516 Canadians paid the supreme sacrifice.
- On July 27, 1953, a truce was signed. 7,000 more Canadians served.
- The Korean War was first called a "police action". Only recently have those who served been recognized for their role in what is now known as "The Korean War". The book, *Valour Remembered: Canadians in Korea*, produced by Veterans Affairs Canada, is available through your local Member of Parliament or library.
- To this day, Korea remains divided. The people of the Independent Republic of South Korea as well as Korean people and Korean ex-servicemen, now Canadians, maintain close ties with the Canadian veterans.

THE CANADIAN CLUB
PROMOTING UNITY SINCE 1893

August 25, 1996,

Ms. Charlene Touzel, Secretary,
Hamilton Veterans Committee.
Hamilton City Hall,
71 Main Street West,
Hamilton, Ontario, L8N 3J4.

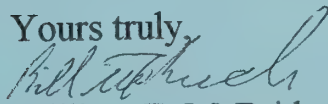

Dear Charlene,

As you are no doubt aware the City of Hamilton's cenotaph in Gore Park, which was a gift of The Canadian Club of Hamilton was dedicated on May 22, 1923 by the then Governor General of Canada; Lord Byng. Following the ceremony the official party were guests of The Canadian Club of Hamilton at a luncheon held at the Royal Connaught Hotel.

In honour of Hamilton's sesquicentennial The Canadian Club of Hamilton would like to participate, in some appropriate way, in the remembrance ceremonies to be held at the cenotaph on November 11th.

We would appreciate the opportunity to attend your next Hamilton Veterans Committee meeting, which I understand is being held in early September, so that we may discuss how The Canadian Club might participate in the ceremonies.

All best wishes.

Yours truly,

William T. McBride
Managing Secretary

WHAT IS THE CANADIAN CLUB?

The Canadian Club was founded right here in Hamilton, in 1893. It was established by a small group of citizens who felt the need to know more about Canada and to do what they could to help nourish the Canadian identity.

The Canadian heritage has developed from people from all parts of the globe. Together we have built a country that has become the envy of the world.

By bringing people together, the Canadian Club works towards a healthy, broad based Canadian vision. We welcome and assist new Canadians by fostering our unique institutions and encouraging achievement in the life of Canada. We hold approximately eight to ten events each year, typically a luncheon at which a speaker addresses topical issues of the day. Our speakers come from all sectors, such as politics, the arts, business, labour, science, media and academia.

We encourage our members to bring guests to our meetings. We believe fellowship and community dialogue helps strengthen the bonds of unity.

WHY JOIN THE CLUB?

If you are a new resident of Hamilton, the club presents an excellent opportunity to become acquainted with the community in a very congenial way. If you have lived, worked or run your business in Hamilton for some time, but have not as yet joined, now is the time! Canada needs your support. Club functions are also a great place to meet new and old friends and establish useful business contacts. To help keep Canada strong is the most important reason of all!

WHAT IS THE COST AND TIME COMMITMENT?

Here's the easy part. There are no tickets to sell. There are no obligatory meetings to attend. There are no duties imposed.

The Membership dues are minimal, just enough to cover the cost of the Club's mailing, administrative and dues to the National office.

The modest cost of luncheon tickets covers the expenses for the lunch. A loyal Membership and generous support from our Sponsors help the Club continue to celebrate Canada.

1. DELEGATION

John Conlin, District Director, Veterans Affairs Canada

The Hamilton Veterans Committee met with Mr. John Conlin, District Director, Veterans Affairs Canada who has agreed to meet with the Committee every three or four months to bring the Committee up to date on a number of issues affecting the Veterans of our City.

Some issues brought to the attention of the Hamilton Veterans Committee were:

- a) the changes to the Ontario Drug benefits which now require seniors to pay a deductible for prescriptions.
- b) Veterans Affairs Canada's commitment to the Veterans in the area, for not only benefits but for any other service they require. A 1-800 line is being investigated so that Veterans and their families can easily access Counsellors as required.
- c) information on an Elder Care Newsletter for caregivers.
- d) a book entitled Let Me Decide written by Dr. William Molloy, MB, FRCP (C) and Virginia Mephram which gives individuals a means to record their wishes for their health care should they become incapacitated by disease or injury and cannot communicate their wishes for themselves in the future. Mr. Conlin indicated that he would like to introduce this book to the Department's Counsellors so that Veterans would have better control over their health care. The Committee was asked to read the book and provide him with comments.

The Committee agreed to meet with Mr. Conlin again in 1996 September, the date of which is still to be determined.

2. ADOPTION OF MINUTES

The Committee was in receipt of the Minutes of the Hamilton Veterans Committee for its meeting held 1996 March 28 and its special meeting held 1996 April 18. These Minutes were adopted as circulated.

3. BUSINESS ARISING FROM THE MINUTES

a) **National Korea War Veterans Memorial**

Jack McFarland advised Committee Members that the request for donations for a National Korea War Veterans Monument that was referred to the United Council of Veterans has been subsequently referred to the local Korea War Veterans Association.

b) **Reserved Headstones in Field of Honour, Woodland Cemetery**

Alderman McCulloch reported that he has investigated the costs to install markers in the reserved plots in the Field of Honour, Woodland Cemetery. The cost per marker, with installation is \$376.07. After some discussion, the Committee approved the following:

That in 1996, the Hamilton Veterans Committee pay the costs (\$1,128.21) to have three blank headstones installed in the Field of Honour, Woodland Cemetery, on three reserved plots in the older section of the Field of Honour.

The Secretary indicated that a response is still pending from the Commonwealth War Graves Commission respecting the availability of funding to purchase missing markers.

c) **Proposed Bus Shelters - Gore Park**

The Committee was advised that the Parks and Recreation Committee at its meeting to be held on 1996 May 21 will consider the issue of bus shelters in Gore Park. At tonight's meeting with representatives from the various Veterans Clubs, the Clubs will be asked to submit letters opposing the installation of bus shelters in the Cenotaph section of Gore Park to the Secretary before the 1996 May 21 meeting.

4. ADJOURNMENT

There being no further business, the meeting then adjourned.

1. NEW COMMITTEE MEMBERS INTRODUCED

Frank Caldwell, Chairperson, called the meeting to order and introduced new Hamilton Veterans Committee members Bill Eisan and Tom Dean (not present).

2. PROPOSED BUS SHELTERS - GORE PARK

The representatives from the various Veterans Clubs were advised that the Hamilton Street Railway is proposing to install four oversized bus shelters in Gore Park, two of which will be in the block of the Cenotaph.

Frank Caldwell advised that the Hamilton Veterans Committee has met with the Hamilton Street Railway and have advised them in writing that the Committee does not support its proposal to install two bus shelters in the section of Gore Park between Hughson and John Streets given the proximity to the Cenotaph which is sacred consecrated ground dedicated to the Veterans of Hamilton and area who paid the supreme sacrifice in the Great War, World War II and the Korea War.

The Veterans Clubs were further advised that this matter will be considered by the Parks and Recreation Committee on 1996 May 21 and all Veterans Clubs were asked to send letters opposing the bus shelter proposal, to the Secretary of the Hamilton Veterans Committee before the meeting on May 21st so that they can be presented as a package to the Parks and Recreation Committee Secretary.
